

ABSTRACT

Design of Islamic High School Nurul Fikri in Depok

Indonesian Parents has undergone the same concern , see the phenomena that occur among all these teenagers Indonesia as the next generation of people who do not slightly aberrant of the way he should. Start of piracy the car , fighting between school , the use of pharmaceuticals illicit , free sex, etc .It is become the focus of parents in managing their kids of truth to are not involved in the deception. Indonesia is aware that whole process it can was due to some factors , is the environment , family and own yourselves sons of the. But yourselves sons of the itself to have the biggest impact to choose intercommunication which about to select the lack of education of religion a considered a key factor in the formation of the character of a child. Known religion is an absolutely thing that one must own teenager to adult in the discovery of identity. Having the motto of build nurul fikri mosque generation with god into the future cemerlang' and are aware of their future.
