Fauzan, Mohamad Fikry. 2018. *Directing Web Drama Film “Shy Shy Girl Tania” About Kabaret Bandung*.

Final Assignment. Study Program Visual Communicatio. Telkom University School Of Creative Industries. Bandung.

Kabaret Bandung is a new form of stage art that using a lissync technique and originally was born in Bandung. But on it's development as a new art form, there are still so much people that don't understand and even not knowing about Kabaret Bandung. Kabaret Bandung as a new form of art needs to be appreciated so Kabaret Bandung will not be abandoned by it's activists and artists. This lack of not understanding is caused by the lack of information media such as a film that can give a lot information about Kabaret Bandung itself. A Web Drama film is one of media information that can be easily watched by a teenager by internet access can be an information media that give more information about Kabaret Bandung to teenager in Bandung. This Web Drama film will be created with drama comedy genre due to the etnografi research result that shows that in Kabaret Bandung always have a “cinlok” (cinta lokasi) and always have a “bobodoran”. And another film like Weiglifting Fairy Kim Bok Joo, EXO Next Door, and Birdman will become a references to desigining this web drama film.

Keywords: A love story about Kabaret Bandung artists.
