

ACKNOWLEDGEMENT

Bismillahirrahmanirrahim.

Alhamdulillahirobbil'alamiin, all praise and gratitude prayed to the presence of Allah SWT for the blessings and grace given to the author in finishing final project with the title of **“Formulation Design of Green Tea Chocolate’s Product Development Using The Integration of Product Quality and Kano Model in Arafa Tea”**. This final project was prepared as a form of accountability regarding Industrial Engineering student’s learning outcomes for partial fulfillment of Bachelor Degree of Engineering in Industrial Engineering Faculty of Telkom Engineering School, Telkom University (Tel-U).

The author would also like to thank all those who have contributed either directly or indirectly in the process of finalizing this final project, namely:

1. Allah SWT, for blessing each of the road and provide all the conveniences at hand. Thank you Allah for leading me through another extraordinary chapter of my life. If anyone asks, You are the reason and the explanation why my whole life makes sense.
2. Mamah, Papah, Aa and Teteh. I know what you guys give are more than unconditional love. There are no words that can describe how much you guys mean to me. No words are necessary, I love you.
3. I would like to sincerely thank my two advisors, Mrs. Yati Rohayati and Mrs. Atya Nur Aisha for their patient guidance, teaching, insightful ideas and support throughout this study. For all their help and mentoring, I am very grateful.
4. Mrs. Hana Raya, as the company representative who has been provide the study’s required data for the sake of the passage of this sacred task. I hope Arafa Tea can be a successful and inspiring business! Keep spirit, teh!

5. The lecturers and staffs of Industrial Engineering Faculty for their knowledge and cooperation during the completion of either in day to day class and this final project.
6. Deepest thanks and appreciation to Alan Arif D and Muhammad Haqqy Erdata for being the best partners. Your cooperation, encouragement, constructive suggestion and full of support for the report completion, from the beginning till the end. Good job guys, it's AMAZING.
7. Himanen, The Girls-Dian, Amy, Suci, Unay and The Boys-Decky, Adit, Billy, Perta, Ari and Randy. Thanks for the friendship, the smile, the hate, the fight, the gossip, the sarcasms and the love you guys showed me even though it was only 4 years our academic year. And I hope we will continue counting. You are my friends, from start to finish, from freshmen till senior year, I am very grateful for your existence, and will always be there to help if needed. Kiss.
8. Menantu Idaman, Nusem, Novalino, Valdy, Agung and Dimas. My awkward yet funny bros. We can joke around and have so much fun but also have a deep conversation and I love it. Because of you, I laugh a little harder, cry a little less and smile a lot more. And of course, you make me feel the prettiest of all. So fancy!
9. TI35INT. My unexpectedly awesome kids ever. You know what guys? There are some things that money cannot buy; manners, morals, intelligence and class; and that's us. I am so thankful that I am given the privileged for being with you in our academic year. You guys are the biggest reason why I keep doing what I'm doing, I hope our bond last. Enjoy it guys, cause it's happening.
10. My lab mates, Nusem, Decky, Epong, Osin, Manda, Wisuda, Dimas and Silvi, thanks for the help over the years we've been together. The happiness we've made by being silly and naughty, not to mention all the drama each year. You guys are not my family nor my closest friends; we may not be fond of each other either, but it's been memorable. Good luck guys, I'm sure you'll be successful wherever you go.

11. My lovely junior lab mates, Airis-Irvina, Evi, Rindy, Desty, Gifta, Adi, Oli, Nicky dan Dila, Atyanta-Bene, Tira, Hening, Cahyo, Ireya, Abe, Imam, Farah, Shafa, Hilmy, Wira. It was great knowing and working with such a nice group of people. Thanks for all the support, understanding and encouragement in many ways possible. You guys will make a great team, Good luck!
12. My passionate Marketing friends, especially Yuki, Esti, Ai, Zumar, Dimas, Edwina, Andin, and Anggi, thanks for all the support, understanding and encouragement in our many, many moments of crisis. You guys are such wonderful life experience I've ever known. See you on top!
13. Many others I didn't mention.. doesn't mean I don't appreciate the things you do for me. Thanks.

The authors recognize that there are many flaws in this final project, so criticisms, feedbacks and suggestions from the readers are highly expected. I hope this final project can be useful for the writer and the readers.
