

PREFACE

Praise and thankful addressed to the one and only God Almighty, Allah swt, for His grace and merciful that brings me to the perfect condition of health and send me the best of His creatures to support and give a lot of positive energy in order to finish this Final Project so called Undergraduate-Thesis.

This Final Project was done with many supports, helps and ideas from many people around me, whether it is an advice or critique. Thus, I would like to say thanks a lot to:

1. Dr. Maya Arianti, SE., MM, as my advisor who has helped me patiently finishing this final project by giving suggestion, guidance, and correction since the very first advising meeting until this final project has been submitted. Many thanks for your support and belief.
2. Dini Turipanam Alamanda, Irni Yunita, as the reviewers of my proposal, thank you for your comments, information, ideas, recommendations and guidance for the improvement of my final project.
3. For the 400 respondents of this project. I really appreciated your help, thanks for your availability.
4. My Parents, Yanti Sofiyanty and Edy Sumantri who are always support, pray and give the best for me from the very beginning, during my college study and up until now. I dedicated this for you both.
5. For all PAs in MBTI International that already helped me a lot from my first year up until now, Mr. Cahyadi, Mr. Irwan, Bu Wiji and Bu Astri.
6. My beloved wife, Selvi Mustikananda Tjitalaksana and my son, Naufal M. H. Sumantri, thank you for being as supportive as I finish this final project.
7. All students of MBTI International, especially batch 3, year 2011, which cannot be mentioned here one by one. Thank you for the memories guys! Good luck for you all!

After all perfection belongs only to God Almighty and I also apologize if there are some errors in the writing and content for this statement. I hope this Final Project can be beneficial to others especially in person that might use this as a reference or readers.
