

PREFACE

All Praises to Allah SWT for all His Grace and Guidance, so that this paper can be completed in the form of final project in accordance with the time that has been planned.

Making this final project is inseparable from the help, guidance, love, support, and prayer from various parties. Therefore, in this occasion author is sincerely saying big thanks to:

1. Preceptor I, Mr. Yuli Adam Prasetyo for the concern, guidance, and support even if you are busy.
2. Preceptor II, Mr. Rahmat Mulyana also for the concern, guidance, and advice even if you are very busy and also giving author the access to PT. INTI.
3. PT. INTI Employees, Mr. Aji, Mr. Teguh, Mrs. Nely, Mr. Kasnanta, Mr. Setyo, and other employees that have helped author so much by giving the necessary data or information, and your genuine kindness.
4. Final project team members (Afifah, Suci, and Salsa) that author can work together with. Such a good teamwork! Well done, team.
5. Other people that help, support, and pray for author, thank you!

May Allah gives you the reward. Author apologizes if in making this final assignment there are many shortcomings and is still far from perfection, therefore suggestions and criticism always being accepted by author. Hopefully, this final project can be beneficial to all parties, especially for author and generally for the readers.
