

PREFACE

I as the author would like thank all mighty God because of the blessing to let me finish this research. I also wish to express gratitude to my parental who always give me supports, and advices. I also would like to express my appreciation to all the lecturer from Telkom University for the guidance and the knowledge that given to me especially from the Information System Study program:

1. Mrs. Murahartawaty, S.T, M.T as my first advisor for this research
2. Mrs. Dr. Ari Pratiwi, S.T., M.M as my Second advisor for this research
3. Mr. Nur Ichsan,S.T., M.T as `my third advisor for this research.
4. Mrs. Ir. Farda Hasun, M.Sc who always supported us while conducting this research.
5. Mr. Taufik Nur Adi, S.Kom, M.T who always gave me motivation while conducting this research.

My research partners, namely Muhammad Mufid Luthfi, Elzar Esen Uulu, and Reicha Sofi Azura Ridhallah that always support me while conducting this research. Furthermore, I also say thank you to all of my friends especially for Mawaddah Tifani, Atika Luthfiani Ifan, and Selly Larasati who always beside me in any condition we have been through together during the college days whom I cannot mention them one by one.

The author realizes that this research is not infallible; therefore it is expected to get the criticisms and suggestions that will improve the related research. Hopefully, this research can be useful for readers.
