

## PREFACE

First of all, praise, glory, honor is merely to the Lord Jesus Christ for the gracious mercy and tremendous blessing that enable the authors to accomplish the final project entitled “Information System Strategic Planning Based on TOGAF ADM Framework in 1<sup>st</sup> Revenue Functions DPPK Bandung Regency”. I’m also wish to express gratitude to my parents who always give me supports, so much care and advices. I’m also would like to express my appreciation to all the lecturer from Telkom University for the guidance and the knowledge that given to me. The gratitude also given to those who have helped in completing this final project:

1. Mr. Yuli Adam Prasetyo, S.T., M.T as my first advisor for this research who always give a support and direction to finish this final project.
2. Mr. Ridha Hanafi, S.T., M.T as my second advisor for this research who always give a support and direction to finish this final project.
3. Mrs. Murahartawaty, S.T., M.T as supervisor of information system study program who give a motivation while conducting this final project.
4. Almareta Harasti Nuraini and Anisa Fatakh Sabila as my partner for this research who remind, support each other and contributing to finish this final project.
5. All respondent that give an information and data to my final project.

Last but not least, I would like to say thank you to all of my friends who always beside me in any condition we have been through together during the college days whom I cannot mention them one by one.

The author realizes that this research for final project is not infallible, therefore it is expected to get the criticisms and suggestions that will improve the next related research. Hopefully, this research can be useful for readers.
