

## **ABSTRACT**

*Betawi has a very long history which can be seen from its people's lives in the past whom told outstanding stories, in the form of common story, legends, fairy tales, as well as in respect to the name of the places in Betawi or Jakarta. One of the legend that have lived within the life of the community is Nyai Dasima. Today, the existance of Nyai Dasima story begins to deminish and have struggled to remain and thrive within the community itself. In the other hand, the story of Nyai Dasima contain positive moral messages towards the community and can be used as guidance amongst adolescence. Regarding the phenomenon of the adolescences, many of Jakarta's young generation today have a very concerning negative moral values, especially amongst its teenage girls. There are alot of phenomenon where morals of the Jakarta's teenage have gone too far, such as pregnancy before marriage, abortion, and so on. While religous norms have also seemed to be ignored. From the above explanations, a re-construction and developement of Nyai Dasima story as well as its storytelling media design that is suitable within the developing era and technologies are needed to convey moral messages towards the young generation of jakarta, particularly towards teenage girls, through the approach of comics. The comic adaptation of the Nyai Dasima legend which entitle Menerka Dasima will be published through an online based application 'LINE Webtoon' for its acessibility and Webtoon comic format which is different from the regular comics. This comic will become an educational and an entertainment media, combining two informative means of education with entertainment.*
