

ABSTRACT

Patriotism is important for teenagers as they will be the ones to inherit the nation. Learning national history is one of many ways to encourage teenagers in showing their patriotism . But, they tend to dislike history because of many things, like the teaching method. History can be something engaging if it's presented nicely, in a proper and interesting way. Comic is a popular culture liked by teenagers nowadays, and it can be an effective media to deliver local history. Bubat War is one of local history of Indonesia and has a lot of story versions from different sources, which is interesting.

The methods used in this project are literature study and matrix analysis. The expected result is the comic version of Bubat War. The conclusion is, comics are made to motivate the readers, and this can be used to promote local histories to teenagers.
