

DEDICATION

This thesis is written by the grace of The Lord Almighty, Jesus Christ: “I can do all things through Christ which strengtheneth me.” (Philippians 3:14). May this work can be a true living proof of His power, faithfulness and love, for me and for anyone who is being in facing problem. This thesis is especially dedicated to you Lord.

I also would like to dedicate my thesis for the following people, the one that God send me to, as a channel of blessings, those lovely people are :

1. Dr. Heroe Wijanto, Ir., M.T., thank you for all your understanding and approvals. This is all because of you Sir.
2. Budi Prasetya, S.T., M.T., thank you for all your understanding and approvals. This is also because of you Sir
3. Hendra Gunawan, S.T., M.T., thank you for the inspiration, real help and permissions. You are trully my hero to this thesis.
4. My Father Ir. S.A.M Pasaribu and My Mom L.T. Tambunan, BA, thank you for all your prayers, advices and understanding mom & dad.
5. My siblings : Puspa & Siagian Family, Widuri & Pardede Family, Brother Johanes, and our dr. Adeline.
6. My future husband, Tumpal Eben Ezer Bakara, S.H., M.H., thank you for all your support and prayers.
7. My partner in crime, Diah Eni, we did it!
8. My Satellite Unit of PT. Telkom Indonesia, thank you for all your understanding and support.
9. All my friends in Graduate PJJ Program 2013, thank you for sharing and togetherness to face obstacles and find out the solutions.

Bandung, September 8, 2016
