Indonesia is well-known for its cultures and arts because each region has its own culture. Among them is Tembang Dolanan from Central Java that intended for kids because it contains moral values that upheld by Indonesian people especially in Central Java. But, now tembang dolanan are rarely sounded off, based on survey in Semarang that only nine out of thirty children who know about tembang dolanan. It shows that nowadays tembang dolanan can't compete with recent songs. Also, along with technological development, we ought to teach about moral values to our kids constantly. According to the previous case, through analysis and observation results, author consider to pack tembang dolanan into illustrated tale book series. There's a compact disk that contains tembang dolanan of Central Java (Cublak-Cublak Suweng, Jaranan, Padhang Bulan, and Gundul-Gundul Pacul) so kids can enjoy the song. It hopefully can help kids to learn about tembang dolanan and its moral values.
