

LEMBAR PERSEMBAHAN

YOUR warm and bright morning sun energizes me

YOUR cold sparkling water freshen me

YOUR blowing night wind comforts me

YOUR starlight in the darkest night gives me hope

Seberapapun capenya gue

Apapun yang gue hadapi sekarang

Di manapun gue berada

Betapun gue sangat ingin mengeluh dan protes

Everything around me still made me remember about YOU

Tentang Engkau...

That as Your creations have survived and existed in this world along with the time, situations, and disasters it is as You have been very near to humankind, and You'll always be...

Closer than we've ever realized

Thus made me see in this empty and clear wide sky, in time of despair I know, that I'll never be really ALONE.

To THE ONLY ONE who made me able to stand on my own feet going through this all:

♥ This is my thanks for every love You've shown

⊕ This is my apology for every bad thing I've done and good things I didn't (I wish I did better)

"...FIND REST MY SOUL, IN CHRIST ALONE

KNOW HIS POWER IN QUIETNESS AND TRUST..."

(STILL, performed by HMA)
