

FOREWORD

Alhamdulillah Rabbil 'alamiin Researchers Praise prayed to God, who has given every grace, guidance and His direction to researchers so that researchers can complete the final project entitled "Implementation of Good Manufacturing Practices For Strawberry Crackers In Small Medium Enterprise Kelompok wanita Tani Binangkit Panundaan village Ciwidey "as a prerequisite for completing the program Strata-1 Industrial Engineering Faculty of Industrial Engineering Telkom Institute of Technology.

Researchers are well aware that during the preparation of this final obstacles that prevent many. However, all that can be passed by both the support and help of many people. On this occasion, researchers would like to thank:

1. Allah Almighty has given a grace health, such as ease of guidance, strength and patience in the final task.
2. Mr. Drs. Yadi Resmiadi, MM., And Mrs. Tuti Kartini (parents) over the outpouring of affection beloved incredible, tireless sacrifice, injecting the spirit, chanting prayers and patience in receiving researcher-is condition. My brothers, Muhammad Gilang Dwijaya and Ingrid Official Benita, is the source of spirit Researchers to work constantly in order to provide a good example to you.
3. Dr. Yati Rohayati, Ir., MT., As Sole Advisor who has been patient, guiding and providing advice and feedback to the researcher to complete this final.
4. Betty, as the Keynote Speaker for the researcher who always assist researchers in understanding the data Kencana Mas.
5. Mrs. Amelia Kurniawati, as Lecturer Guardian which has provided support to the researchers.

6. The whole Lecturer and Staff Telkom Engineering Faculty of Industrial Engineering School, especially over a given science and spirit.
7. Anggi Nuryani some person who always support, spirit and enspire me to always fired up for finishing my final project
8. Torina Gengs, Nadya, Erkki, Rifky, Bondan, Vita, Anga, Latitude, Deo, Reno, Damar, Rezot, Reza, General, Hana, Fitri, Ina, Ino, Damar, Mawan, Lino, Ical, Anton, Reza again, Rio, Genta, Kidaw Cat, and others, as playmates in kostan which always accompany the ups and downs. Both families Researcher.
9. DRT HMTI 2013, Reyhan, Kadek, Nadya, Nurul, Fadli, comrade as a completed whole kew Jiban in HMTI, above all criticism and feedback that has been given to the researcher. Going to miss each of you guys.
10. Great family HMTI, Daru, Ilham, Ines, Vivin, CILO, Andi, Uu, Vita, Reyhan, Ihsan, Edo, Via, and others, as fellow soldier in completing all obligations in HMTI 2013. "Hail Unity".
11. Simbi Family, Kak Jijank, Mirna, Kak, Kak Cicak, Aul Kak, Kak Dio, Irawan Kak, Kak Ica, Kak Fikri, Farina, Eka, Dika, claw, Opik, Anga, Ines, Juwi, and the other, the spirit of the To give you guys researcher.
12. Randi Imam Muharram and the Risky Danaputra final project as a partner who is always giving spirit and patience in completing Researchers accompany this thesis.
13. Friends TI-34-07, Ica, Febi, Adel, Iroh, Riri, Nandra, Tio, Yiyip, Romi, Viki, Anga, Opik, Randy, Rinda, and the other with a variety of diversity that exists among us! IT-Fixed 34-07 Best Guys!
14. Friends TI-34-INT, Riri, Febi, Indri, Rudi, Danang, Fadli, Dika, Diana, and others, with a wide diversity of properties and capabilities that exist among us! IT-34-INT "We are the best".

15. Other parties that researchers can not mention one by one.

Fully aware of the researcher for any shortcomings that exist so that suggestions and constructive criticism is expected with open arms in this final refinement efforts. Researchers hope that this final project can be beneficial to all.

Bamdung, 4th July 2014

Researcher
