

PREFACE

Alhamdulillahirobbilalamin, all praise and gratitude is prayed to Allah SWT, for blessing, guidance, and mercy that has been given to the author, therefore be able to complete the final project titled “**FLEXIBILITY IMPROVEMENT ON ENERGY CONSUMPTION OF PUNCHING MACHINE BASED ON GREEN MANUFACTURING METHOD AT PT BUANA INTAN GEMILANG**” . As the author of this final project, I would like to thank all of those who have share their contributions in making of this final project. Specially I like thank to:

1. My beloved parents H. Wawan Juanda, S.Pd. and Dra. Hj. Shofiyah who has given prayer, love, motivation to give the best for the author.
2. The big family from my mother and father, who always motivate and support the author to immediately hold a Bachelor of Engineering degree.
3. Mr. Haris Rachmat, S.T., M.T., as advisor I who have given knowledge, solution and opportunity to learn and evolve.
4. Mr. Tatang Mulyana, M T., Ph.D., as advisor II who have taken time, effort and thought for the author for completing this final project.
5. Mr. Andri as head officer of PT. Buana Intan Gemilang who has allowed authors to do research in his place and willing to take the time to assist authors in completion of the research process.
6. Mr. Bayu who has directed and explained the script program from the final project of the author, hopefully the knowledge is useful.
7. Mr. Denny Sukma Eka Atmaja, S.T., M.Sc. as head of the automation proficiency who has given direction, motivation and knowledge for author.
8. Mrs. Praty Poeri Soeryadhini S.T., M.T., as the author guardian lecturer, who has provided many inputs to the author.
9. Ayudia Prillia and Firza Ahmad Setiyansyah as my partner in the same final project group that always keep my spirit and give support.
10. The close friends during study at Telkom University, Diyan, Muti, Sekar, Rara, Rolly, Fanny and Fitri, who always make happy when spending time together and entertaining when sadness hit. See you on top.

11. My dearest friend, Fathin Farcyana Safitri who for four years always faithful to share both happiness and sadness, always give motivation to the author and always willing to share her room with the author. Thank you so much Fathin for what was happened and what will happen, hopefully our dreams can come true, lets travelling together.
12. SISPROMASI FAMILY who has given inspiration and opportunity to learn more.
13. SISPROMASI 2013, Rahma, Luqman, Wahyu, Yazid, Ayu, Ratna, Febri, Ina, Ika, Christine, Naufal, Agung, Mirsyah, Manda, Shadika, Sekar and Firza who already makes the unforgotten story during being an assistant and also your help from the beginning until the end of final project, I love you guys.
14. SISPROMASI 2014, Aga, Radit, Nala, Reza, Ghina, Eco, Tito, Sarah, Oki, Tiwi, Ririn, Reren, Shidiq, Rani, Shafira, and Adi who has added excitement during the process of writing this final project, keep spirit guys.
15. My dearest friends from senior high school, Seni, Yohana, Tria, Afifah, Ester and Riane, who has colored the author's life journey to the present day.
16. All my friends TI-37-INT, thanks for the time and kindness for four years study process.
17. Musyawarah Perwakilan Mahasiswa (MPM), as a campus organization which has given the author experience in organizing during the collage life.
18. All the parties who can not be written one by one by the author, who helped author during the writing process of this final project.

Finally, author hope this can be usefull for the readers. The author realize there are still many deficiencies, therefore the author are looking forward suggestions and constructive criticism for improvement in this final project and can be submitted by email to firda.maw@gmail.com.
