

List of Tables

4.1	Category of density population	15
4.2	population data	15
4.3	Node Data	16
4.4	Data of network road	23
4.5	Result	30
4.6	Distance path with A* algorithm without Density population score	34
4.7	Path that driver choose	34
4.8	Difference distance path using A* algorithm with population density score and without population density score	37
4.9	Difference red distance path using A* algorithm with population density score and without density score	38
4.10	difference between Distance path using A* algorithm with population density score and path by driver	39
4.11	difference red distance using A* algorithm with population density score and by the driver	40
4.12	List of TPST and Garbage Truck	41
4.13	Distance Rute plan truck G 9534 AE	42
4.14	Red Distance Rute plan truck G 9534 AE	43
4.15	Distance Rute plan truck G 9530 WE	45
4.16	Red Distance Rute plan truck G 9530 WE	47
4.17	Distance Rute plan truck G 9540 E	50
4.18	Distance Rute plan truck G 9540 E	51
5.1	Marker	60
5.2	Open Node iteration 1	63
5.3	Close Node iteration 1	64
5.4	Open Node iteration 2	64
5.5	Close Node iteration 2	65
5.6	Open Node iteration 3	65
5.7	Close Node iteration 3	66
5.8	Open Node iteration 4	66
5.9	Close Node iteration 4	67

5.10 Open Node iteration 5	67
5.11 Close Node iteration 5	68
