

DAFTAR SINGKATAN

AP : *Access Point*

DAS : *Distributed Antenna System*

EIRP : *Effective Isotropic Radiated Power*

EPS : *Evolved Packet System*

EPC : *Evolved Packet Core*

HA : *Home Agent*

Kbps : Kilo bit per second

KPI : *Key Performance Indicator*

LTE : *Long Term Evolution*

MAPL : *Maximum Allowable Path Loss*

Mbps : Mega bit per second

MIMO : *Multiple Input Multiple Output*

Mhz : Mega Hertz

PCI : *Physical Cell Identity*

P-GW : *Packet Data Network Gateway*

RSL : *Received Signal Level*

S-GW : *Serving Gateway*

SIR : *Signal Interference Ratio*

SINR : *Signal Interference Noise Ratio*

SON : *Self Optimizing Network*

UE : *User Equipment*
