

## PREFACE

*Al-hamdu lillahi rabbil 'alamin*, all praise to Allah SWT for the blessing and guidance that has helped the author to accomplish this Final Year Project entitled **“Inventory Policy Determination for Raw Materials in ILY Pharmaceutical using Periodic Review (R, s, S) and Periodic Review (R, S) Method to Minimize Total Inventory Cost”**. This Final Year Project is arranged as one of the requirements to obtain the Bachelor Degree of Industrial Engineering in Telkom University.

The author would like to say thank you to all the parties who have helped the author in finishing this Final Year Project by giving guidance, support and motivation. The author would like to say thank you to:

1. Bapak Ari Yanuar Ridwan, S.T., M.T. and Bapak Budi Santosa, S.T., M.T. as my advisor for giving the assistance, guidance, knowledge and motivation.
2. Bapak Martin and other staffs of ILY Pharmaceutical that allowed me to do the research in the raw material warehouse.
3. All lecturers in Telkom University, especially in Industrial Engineering Major that has giving me valuable knowledge during my studies.
4. For all other parties that cannot be mentioned one by one.

The author believed that this Final Year Project still far from perfect so, critics and suggestions are much appreciated.
