

DEDICATION

This thesis is dedicated to my beloved wife Diana Dewi,
my beloved children: Andrew Aquila C.P, Ade Azarya C.P and Ariesto Firsta C.P.

ACKNOWLEDGEMENTS

I praise to my Lord JESUS CHRIST for the blessing and the mercy. I would first like to thank my thesis supervisor Mr. Hertog Nugroho, Ph.D. who have given the idea, criticism, and reviewed during the project research and the thesis writing. He totally supported and taught me from the beginning until the end of this thesis. I would also like to thank Mr. Adi Suheryadi M.Kom and Mr. Prasti Eko Yunanto M.Kom who fully supported in this research project. Without their passionate help, the research project could not have been successfully conducted.

I would also like to gratitude to PT. Telekomunikasi Indonesia, Tbk. especially Human Capital Management department for this magister program scholarship; For Management of Planning & Deployment Division PT. Telekomunikasi Indonesia, Tbk. to give me permission attending this thesis booth camp for five months in Bandung; My gratitude also to the dean, the director, and all lecturers of Telkom University for their moral contributions which have been given to me either directly or indirectly throughout my study and project development.

Finally, I highly appreciate to all parties that support this project until finished. May God bless all of you.

To the infinity, and beyond
Ediyanus Pabendon
