

FOREWORD

Praise gratitude writer pray to Allah SWT for all His bounty so that writer can finish Final Project with title "Feasibility Analysis of Rumah Tempe Indonesia New Branch Establishment in Bandung in Terms of Market, Technical, and Financial Aspects" as one of requirement of completing study of strata 1 at Industrial Engineering, Faculty of Industrial and System Engineering , Telkom University.

In the process of Final Project, the author is inseparable from prayer, full support, and motivation from various parties who have helped many authors. For that, the authors say thank you to:

1. Mother and Father whom the author very loves and cares about. Thank you for supporting all the things that have been given to the author.
2. Dr. Ir. Endang Chumaidiyah M.T., as the first advisor, thank you for the time and assistance given to the author in the process of making this final task.
3. Bobby Hera Sagita SE., MM, as the second advisor who had given his knowledge and assistance during this final project work.
4. Dr. Dida Diah Damayanti S.T., M.EngSC as an excellent guardian lecturer on all support and assistance during this final project and through the years since author study in the university.
5. Everyone who directly or indirectly support the author.

The author realizes that the results of this Final Project still has many shortcomings. Therefore, the authors receive criticism and suggestions from various parties that are constructive. Hopefully the results of this final project can be useful in the academic field and the company concerned.
