

PREFACE

Assalamualaikum Wr. Wb.

Praise to the presence of God Almighty, Allah SWT, for the abundance of grace thus the authors can complete the final assignment entitled "**Major Classification in State University Based on Senior High School Student Grade Using C4.5 Algorithm (Case Study: Baleendah 1 Senior High School)**" as a requirement to get a Bachelor of Engineering in Information System Study Program of Telkom University.

In the preparation of this final assignment, the author got many suggestions, encouragement, guidance, and understanding of various parties. Therefore, with all due respect the author would like to thank:

1. Dr. Irfan Darmawan, S.T., M.T. as my first advisor lecturers which gave his time, effort, and provide motivation and an incredible passion for the writer.
2. Rahmat Fauzi, S.T., M.T. as my second advisor lecturers which gave his time, effort, also provide guidance and direction in resolving the final assignment.
3. Guidance and Counselling Staff of Baleendah 1 Senior High School which gave their time, effort, and provide all the data needed in this project.

The author was aware well of the task these days is far from perfect. For that, the author expects criticism and suggestions from various parties for the sake of perfecting this research. Hopefully, the final assignment is beneficial not only for writers but also for readers.
