

## **ACKNOWLEDGEMENTS**

First and foremost I am grateful to the Almighty God who has enabled me reach this far.

All the glory, honor, splendor and majesty belong to Him alone for enabling me to complete the thesis titled,

“A comparison study of women entrepreneurs:

Case study of Bandung city in Indonesia

and Harare city in Zimbabwe.”

In this study, the author obtained guidance, criticism, suggestions, and motivation from various parties. Therefore, the author would like to register her heartfelt gratitude to the following people:

- My supervisor Dr. Ir. Nugroho, R. L., MM, for the willingness to guide and direct me during the writing of this thesis project as well as giving me the motivation that enabled me complete writing this proposal.
- My instructor/lecturer Dr. Astri Ghina, S. E., MM, for the guidance and assistance that contributed to the timeous submission of this research thesis.
- My dosen wali Dr. Palti M T Sitorus S.si, MM, for the support and motivation throughout the duration of the study.
- The Head of Study Program Siska Noviaristanti, PhD for providing support during learning process.
- And finally, I recognize all my lecturers in the Department of Magister Management who molded me throughout the entire course and my fellow classmates who supported me.

They were all a great asset in my life.
