

PREFACE

Praise and thank you to God Almighty for giving me many favors, taufik and hidayah. So that I can complete the thesis report entitled " ANALYSIS AND MEASUREMENT OF DATA CENTER CABLING SYSTEM WITH TIA-942 STANDARD AT DIRECTORATE SISFO TELKOM UNIVERSITY " with no significant obstacles.

I have completed this report to the maximum thanks to the cooperation and assistance of various parties. Therefore, I would like to express my gratitude to all parties who have contributed maximally in the completion of this paper.

Thus, the author realizes there are still many shortcomings and errors in writing this report, both in terms of punctuation, grammar, and content. So that the author openly accepts all criticism and positive suggestions from readers.

The author expresses his gratitude as much as possible to those who have helped in the implementation of the Final Project Research from start to finish, especially to:

1. Mr. Umar Yunan, S.T., M.T.
2. Mr. M. Teguh Kurniawan, S.T., M.T.
3. All parties who help work on this Final Project report

Hopefully, this report can be useful for the general public, and for myself in particular.
