

## PREFACE

Alhamdulillah, thanks to Allah Subhanahu wa ta'ala, thank you for His grace and guidance, the author can complete this Final Project with the title "INFLUENCE OF PALU DONGGALA TSUNAMI EARTHQUAKE IN 2018 TO ABNORMAL RETURN TOWARD IDX" As one of the requirements in completing the Telkom Business Management S1 study program. In the preparation of this Final Task, the author is very grateful for the guidance and assistance from various parties. Therefore, the author would like to thank:

1. Dr. Astrie Krisnawati, S.Sos., MSi.M as my supervisor who is always patient in guiding and always helping, supporting, and giving advice in building and completing this Final Project.
2. Dr.Irni Yunita, S.T., M.M as my guidance on academically things in Telkom University.
3. All lecturers that taught me many lessons, knowledge, and experiences through academic and non-academic activity.
4. My Parents, Sukatim, Neni Kosmiati and Nanang Kosim for supporting me in every single way that I could not mention nor explain.
5. All of my friends in International ICT Business and Faculty of Economics and Business that support me to do the mini-thesis.

The author apologizes if there are still weaknesses in this study, but the authors hope this research can be useful, especially for readers who can use learning for further research.
