Figure 2. 1 Illustration of Truncated SVD [20]	14
Figure 2. 2 CBOW model architecture [16].....	16
Figure 2. 3 Skip-gram model architecture [16]	17
Figure 2. 4 The illustration of hyperplane in SVM [9]	18
Figure 2. 5 The illustration of Document vector.....	28
Figure 3. 1 Research Design.....	24
Figure 3. 2 The flowchart of the stopwords removal technique.....	26
Figure 4. 1 System performance on different stoplist	48
Figure 4. 2 System Performance on different dataset using on TFIDF feature.....	49
Figure 4. 3 System Performance on different dataset using LSA with TFIDF feature.....	49
Figure 4. 4 The graph of the system performance based on different input feature of LSA.....	51
Figure 4. 5 System performance based on different feature representation	52
Figure 4. 6 System performance based on classifier.....	53
Figure 4. 7 Graph of average similarity value in AK1 article	54
Figure 4. 8 Graph of average similarity value in Ibadah articles	55
