

ABSTRACT

The Academy is a College that organizes vocational education in one or several branches of certain Sciences and / or Technology. Academies are narrower than high schools or polytechnics, because they only run educational programs in one or several scientific branches.

ISWI Academy of Fine Arts and Design, better known as ASRIDE ISWI has been established since 1981. As a Pioneer of Indonesian Fashion Education, the ISWI Academy has excellent study programs in various fields related to fashion and design. The ISWI Academy of Fine Arts and Design is a higher education institution engaged in the arts and design. Established in 1981 to meet the needs of the community for higher education which has a fashion design education program.

Therefore, it is very necessary to do redesign on old buildings which are considered to be less supportive of the level of creativity of students who support their facilities and infrastructure. In addition to increasing the level of creativity, this redesign also supports building professional fashion by discussing sports and motivation in the interior.
