

THE INVESTOR'S TAX BIBLE

This guide takes an in depth look at how tax affects stock market traders and investors. The focus throughout is on translating complex tax concepts into plain English and providing guidance, wherever possible, on how to cut your tax bill. This extremely comprehensive guide will show you how to pay significantly less capital gains tax, income tax and inheritance tax on your investment income and profits. Written in plain English, it is essential reading for anyone investing or trading in shares, options, bonds and CFDs. The guide contains numerous examples and tax planning tips. Subjects covered include how to calculate capital gains tax when you sell shares and other assets, how to minimize your capital gains tax bill through careful planning, how to slash the income tax on your dividend and interest income, how your spouse and children can help you pay much less tax, the benefits and dangers of obtaining 'share trader' tax status and how to make the most of the many tax shelters available to investors.
