Custom Culture is a culture that originated in America, which describes the artwork, vehicle hairstyles and fashion of those who drive and modify their vehicles. Currently custom culture continues to grow in accordance with existing trends, including custom motorcycle and custom painting. In Indonesia, there are quite a lot of custom culture lovers and principals, especially in the city of Bandung. This can be seen from the BBQ RIDE event, DGR and Custom Culture practitioners such as Yasashi garage, free flow. Seeing this phenomenon, one stop place custom motor cycle is needed as a place for lovers and practitioners of custom culture.

The design of the One Stop Place Custom Motorcycle interior presents an industrial design style combined with the theme of experience in workshop place and the concept of sense of build will make the atmosphere of the One Stop Place Custom Motorcycle look different. workshop.

The design of the One Stop Place Custom Motorcycle starts with making programming obtained from the results of surveys and interviews directly to the perpetrators and lovers of Custom Culture, then continues with the design schematic design, and finally the final design.

Key word - *Custom Culture, One Stop Place Custom Motorcycle, Custom Motorcycle, Custom Painting, Interior Design*
