

PREFACE

First of all, thanks to Allah SWT because of the help of Allah, author finished writing the paper entitled “Impact of The Application of Blockchain to the Supply Chain of PT Perkebunan Nusantara III Valuation”.

The purpose of preparing this thesis is to fulfil one of the requirements to obtain a Bachelor of Business Management in the Telecommunications and Informatics Business Management Study Program, Telkom University.

In completing this thesis, the author would like to express his gratitude for the support, assistance, and guidance as well as prayers from various parties, namely to:

1. My parents Heri Iman Nurjaman and Meity Susyanti who patiently gave moral and material support, the author conveyed immeasurable gratitude, affection, and respect.
2. Mr. Muhammad Azhari, S.E., M.BA. as the thesis supervisor who has provided guidance and suggestions to the author since the beginning of the research until the completion of this thesis.
3. Colleagues who always support in completing this research.

It is possible that there are deficiencies in the writing of this thesis proposal. For this reason, the authors expect constructive criticism and suggestions from all parties who read this thesis. Finally, I hope that this simple article can be useful for all readers in general, and for researchers in particular.
