

PREFACE

Praise be to god that has been showering the researcher with abundance of mercy and strength, therefore the researcher can finish the final project with the title “Analyzing the suitability of time series and regression forecasting methods for drinking water product of PT XYZ”. The final project is conducted in aiming to fulfill on of the requirements in persuading the bachelor degree of business administration in Telkom University.

The researcher has been through a long journey in the context of completing this final project. Although obstacles are faced along the way, but a strong will and full on supports from surrounding give tremendous positive impacts to the researcher to finish the final project. Thus, the researcher would like to express her gratitude to Telkom University, especially Business Administration International Study Program, School of Communications and Business for the opportunities and lessons given to the researcher. Furthermore, the researcher would like to give appreciation to:

1. Prof. Dr. Aan Komariah, M.Pd., as a mother who has been always there for the researcher, supports mentally, financially and educates researcher. The books she wrote was also a part in completing the final project. My father, Endang Ro'in, S.H, M.Si., who has supported researcher in other ways to stay focus in achieving my goals, grandmother who always prays for researcher and beloved siblings.
2. Mrs. Devilia Sari, S.T., M.S.M., as a supervisor and advisor in writing the final project. She has always been one of the biggest inspirations in doing more challenging tasks, she gives abundance of advices and helps in solving problems during the research and during the lecture.
3. Mrs. Rd. Nurafni Rubiyanti, S.M.B., M.B.A., as academic advisor and Mrs. Trisha Gilang Saraswati, S.E., M.S.M., who have provided the researcher with a lot of information.
4. Examiner 1 and 2 who have given constructive criticisms and suggestions to perfecting the final project.
5. Administrative staffs and all lecturers.
6. Mr. Ismail from department of production in PT.XYZ that has provided a lot of information for this final project, Mr. Drs. Asep Sujana, M.M., Ir. H. Tonton

Taufik Rachman, M.BA., and Evan Agustianto have allowed the researcher to conduct the research in PT.XYZ.

7. Fauzan Al-Maghribi for helping in any circumstance, supporting, and giving advices to the researcher. For whatever the future holds, researcher will not regret putting this name in this final project.
8. Beloved friends from AB-40-INT.
9. Every party involved without decreasing the respect that the researcher cannot write one by one.

May god always bless those who are mentioned above. Every sacrifice and effort given may become a merciful deed. This final project is written with flaws and far from perfection. Suggestions and constructive criticisms are always accepted in order to improve the research. At last, researcher hopes that this final project could be useful for the company and public.

Bandung, May 2020
