

PREFACE

Praise to the Almighty Allah SWT for the strength and blessing that allowed me to accomplish this Final Assessment Report. This report is presented to fulfill one of the requirements in accomplishing Final Assesement in Industrial Engineering Telkom University. I realize there would be a strived to accomplish this by myself without any supportive materials from various parties. In this occasion, I would like to express my appreciation to people who had assist and guide from the beginning until the completion of this writing.

1. Mr. Wawan Tripiawan, ST., MT as first academic advisor who helped, directed, and allocated time to support the writer's research.
2. Mr. Achmad Fuad bay, MPM, PMP, PMI-ACP as second academic advisor who helped, directed, and allocated time to support the writer's research.
3. Mr. Bambang Sukrisno as Project Manager from PT.XYZ who allowed the writer to make PT.XYZ as the object of research in this research and carry out an internship program.
4. Mr. Misbah as Assistant Manager from PT.XYZ who guided the writer during internship and help to make this research successful.
5. The writer's family and friends who always pray and support for writer health, and fluency for the succeed of this writing.

As for, during the arrangement of this final report proposal, the writer realized there are deficiencies. Therefore, the writer apologizes for every deficiency in this report.
