## **DAFTAR SINGKATAN**

CCO : Chief Commercial Officer

CS : Circuit Switch

CTO : Chief Technical Officer

DL : Downlink

EIRP : Effective Isotropic Radiated Power

GB : Giga bytes

HB : High Band

HSS : Home Subscription Server

Kbps : *Kilo bit per second* 

KPI : Key Performance Indicator

LB : Low Band

MAPL : Maximum Allowable Path Loss

Mbps : Mega bit per second

Mhz : Mega Hertz

MIMO : Multiple Input Multiple Output

MME : Mobile Management Entity

MPT : Myanmar Post and Telecommunication

NRb : Number of Resource Block

OSS : Operations Support System

PCRF : Policy and Charging Rules Function

PD : Propagation Delay

PDN-GW: Packet Data Network Gateway

PS : Packet Switch

PTD : Posts and Telecommunications Department

RSRP : Received Signal Strength Indicator

RSSI : Reference Signal Receive Power

SGW : Serving SAE Gateway

SPM : Operations Support System

TA : Timing Advance

TE : Terminal Equipment

UE : User Equipment

UL : Uplink

USIM : UMTS Subscriber Identity Modul

3GPP : Third Generation Partnership Project
