

PREFACE

Alhamdulillah, Praise be to God Almighty. This Final Project is a journey in the last year of my undergraduate studies at the Industrial Engineering Undergraduate Study Program, Faculty of Industrial Engineering, Telkom University.

The author would like to give his thanks to:

1. Mrs. Amelia Kurniawati, S.T., M.T. and Mrs. Nurdinintya Athari, S.Si., M.T., as the final project supervisor who has provided guidance and enthusiasm in completing this final project.
2. Dr. Augustina Asih Rumanti, S.T., M.T. and Mrs. Afrin Fauzya Rizana, S.T., M.T., as the final project examiner who has given advice and contribution in improvement of this final project.
3. Mrs. Litasari Widyastuti, S.Psi., M.Psi., as academic advisor who has given advice and guidance on academic lecture and administration since the first semester.
4. Human Capital Division – PT XYZ that allowed to take the case study in this final project who has been willing to provide data sources ranging from interviews, observations, and documents for the implementation of the final project.
5. Mr. O as a median and direct link to PT XYZ.
6. Both of my parents, Andi Sugiyanto, S.E. and Tjasih Herlitasari, for their moral support and prayers during the implementation of this Final Project in particular and during the education period in general.
7. Habbi B.H., who gives courage and moral support to finish this final project.
8. TI-INT classmates who supported me during class and outside class.

I also thank all those who indirectly contributed to the completion of this Final Project.
