

## FOREWORD

# الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ

Assalamualaikum Wr.Wb

All praise to Allah SWT. Who has bestowed his grace and majesty so that I as a writer succeeded in completing my final project entitled “ **Job Redesign For Surveyor Division PT Surveyor Indonesia Pekanbaru During Pandemic Covid – 19** “. Writing this final project aims to fulfill one of the requirements in achieving a Bachelor of Industrial Engineering degree in Human Capital profession at the Faculty of Industrial Engineering, Telkom University. The author would not be able to complete this thesis without praying to Allah SWT, with all his majesty and glory, the family who always supports and loves the author. Furthermore, this will not run smoothly without the advice, knowledge and support of the supervisors who I love. As well as my friends and people who are always there when happy or difficult. Therefore, the author would like to thank very much to:

1. Allah SWT for the blessing of knowledge and gifts, all praise be to Allah
2. Mrs. Litasari Widyastuti Suwarsono, S.Psi., M.Psi as my first advisor, thank you very much for all the support you have given me sincerely, all the advice from you thank you for all the knowledge, thank you for everything you have done for me , you will be a role model for me to achieve my dreams later. May Allah bless you and your family.
3. Mrs. Dr. Atya Nur Aisha, S.T., M.T as my second advisor. Thank you to because you have been patient in guiding me, you have been sincere in giving me knowledge and advice, you are also one of the people I will use as a role model to pursue my education later, thank you Mrs. Atya, may you always be in the protection of Allah.
4. Mama, Papa, Mbakni, Dekwa, Dekqeis, who have given me love, support, who always accompanies me when I am happy, or difficult, who always support whatever I do, thank you may not be enough to repay all the things that have been done. Mama, Papa, mbakni, dekwa, and dekqeis give it to me, may Allah SWT always protect you.
5. Big family that I can't mention one by one

6. Mrs. Normalia Kusmayanti, S.S., M. Pd as my guardian lecturer. Thank you for all the help during the lecture period, thank you for all the good experiences, thank you for the guidance, hopefully always in the protection of Allah
7. Lecturers of Industrial Engineering who have given me useful knowledge, who have loved me, who have sincerely taught and given me knowledge, hopefully always in the protection of Allah.
8. Mr. Remon Muslim and the team as representatives of PT Surveyor Indonesia Pekanbaru, thank you for your help during my research, hopefully all the good things that have been given will be a reward for you and your team, may you always be in the protection of God Almighty.
9. My best friends, my dear friends, and my partner who always support me when it's hard or happy.
10. People who have supported and loved me, whom I cannot mention one by one. May Allah protect you

Author is aware that this final project is still not perfect, so author is very willing to accept any criticism and suggestions. Finally, once again author want to say thanks a lot for all the kindness, hopefully all things related to this final project become useful knowledge later and a blessing.

Wassalamualaikum Wr. Wb
