

PRESENTATION SHEET

Praise be to God who has given help through wisdom and knowledge to the author to be able to complete this Final Project. The author dedicates this work to:

1. The author's parents and family who always support in prayer and effort so that the author can reach the end of lectures at Telkom University.
2. The Martins and Firnia families who pray for and always support to keep the spirit of achieving study at Telkom University.
3. Telkom University, especially the International Office Mr. and Mrs. who have helped take care of letters, residence etc. while the author was studying at Telkom University.
4. Faculty of Industrial Engineering, Mr. and Mrs. lecturers who have guided and taught the writer in the academic process.
5. Ms. Ima Normalia Kusmayanti, SS, M.Pd. as the author's guardian lecturer who always provides direction during lectures.
6. Mr. Dino Caesaron, ST, MT, Ph. D and Mr. Yusuf Nugroho Doyo Yekti, ST, MT as supervisors 1 and supervisors 2 writers who always kindly and patiently guide and motivate in the work of this work.
7. Class of 2017 friends especially TI-41-INT who have been struggling together in the lecture process.
8. Building L brothers and sisters who always support and motivate the writer.
9. Best Friend of writers Maria Amaral and Lizio Gerry who always provide motivation and direction to never get discouraged in doing this Final Project.
10. Felisberto Rui de Jesus Exposto who always supports, prays and struggles with the author starting from before taking study until now.
