

PREFACE

Praise be to Allah SWT, the Most Gracious, the Most Merciful, who has bestowed His grace on the author, so that the author can complete the Thesis entitled "FREQUENCY BAND OPTION RECOMMENDATIONS FOR LTE NETWORK IMPLEMENTATION USING COST AND BENEFIT ANALYSIS" with maximum efforts to achieve the best possible results the author can provide.

In this Thesis, the author realized that there are still many things that have not been conveyed properly due to the limited knowledge and abilities of the author so that there are still many things that can be developed and improved in this Thesis. Therefore, with all humility, the author hopes that this Thesis can be developed in a better and more useful direction.
