

## PREFACE

All praised to Allah SWT, because with his blessing the author can finish this mini-thesis with the title “Implementation of Dynamic Capability in Achieving Sustainable Competitive Advantage: A Case Study at PD. ASH Jaya”. The purpose of proposing this mini-thesis is to fulfill one of the requirements to get a bachelor’s degree from the International ICT Business Program of School of Economics and Business, Telkom University Bandung.

In writing this thesis the author has received many directions and guidance, criticisms, suggestions, and motivations from many parties. Therefore, the author would like to give gratitude to:

1. Mrs. Siska Noviaristanti S.Si., M.T., Ph.D. as the supervisor in the preparation of the thesis, who has been patiently guiding me so that I can complete this thesis.
2. Mrs. Indira Rachmawati, S.T., M.S.M., Ph. D. as my academic supervisor for guiding me since the beginning of my studies at Telkom University.
3. Mr. Ir. Dodie Tricahyono, M.M., Ph.D., and Mr. Tri Djatmiko, Ir., M.M., as my respected examiner who are willing to give me suggestions that can improve the quality of this research.
4. My Parents, Edy Mulyadi, S.M. and Hadyjah who always provide me moral and material support, abundant love and sincere prayer.
5. Mr. Asep Saepudin as the owner of PD. ASH Jaya, for giving me permission to do research on the company and was kindly willing to help.
6. Mr. Jajang Tahmat, Mr. Dede, Mr. Soleh Maryadi, and Mr. Aldi as the representative of PD. ASH Jaya that was kindly helping.
7. Mr. Paiman as the owner of CV. Menata Citra Selaras that was kindly willing to help.
8. Mr. Riyana Yugiarsa as the owner of PD. Sinar Alam that was kindly willing to help.
9. My beloved friends, Putri Annisa Hambali and Syane Rachma Dian who always support and helping me.
10. And other parties that have been helping me through the process.

Although this mini-thesis is still far from perfect, hopefully, this research can help to enrich the knowledge and inspire other researchers to do further research, and all deficiencies in this research can be a learning material for better researches in the future.

Best regards,  
Salsabilla Hesvara Putri Mulyadi
