

## **PREFACE**

Assalamualaikum Wr. Wb

Praise and gratitude the author prays to Allah SWT who always bestows His grace and guidance, so that the author can complete the Thesis with the title **Feasibility Study of LTE Network Implementation on Working Frequency 700 MHz, 2100 MHz, and 2300 MHz in Indonesia**. The author compiled this book with the aim of completing the master's level education in the Electrical Engineering Master's Degree study program, Faculty of Electrical Engineering, Telkom University.

In writing this thesis, the author realizes that there are still many shortcomings due to the limitations of the author. Therefore, suggestions and constructive criticism are highly expected to be able to improve this thesis.

The author hopes that this thesis can be useful for writers, readers and the world of education. The author also hopes that this thesis can be developed in a better direction.

Walaikumsalam Wr. Wb.
