

ACKNOWLEDGEMENT

Praise and gratitude the author prays to the presence of God Almighty for the blessings and By His grace, the author can complete the Final Project entitled "Improvement of Digital Marketing Strategy Kicks Kemon Cleaning Shoe Service with SOSTAC Method". The purpose of writing this Final Project is to fulfill one of the requirements to complete the Industrial Engineering S1 study program, Faculty of Industrial Engineering Telkom University.

In the making and writing of this Final Project, the author realizes that there are many difficulties encountered and the author received a lot of support and assistance both directly or indirectly. Therefore, on this occasion the author would like to say thanks to:

1. My beloved parents, Mr. Ahmad Sanusi and Mrs. Popit Fibriyanti who has given support and prayers to the author during the process Final Project creation.
2. Muhammad Nashir Ardiansyah, Ph.D. as the Head of the Industrial Engineering Study Program because it has given direction and input for the author so that the author can complete the preparation of this Final Project.
3. Mrs. Sari Wulandari, S.T., M.T., as the first supervisor in the research assignment Finally, those who have been willing to guide, take the time to discuss and provide more knowledge to the author about this Final Project.
4. Mr. Putra Fajar Alam, S.Kom., M.T. as the second supervisor in the research this Final Project who has been willing to guide and provide direction and advice to the author regarding this final project.
5. Auditya Priyanggita, as the owner of Kicks Kemon who has given the opportunity valuable for doing research, and also providing assistance to run this research.

6. Amanda Lathifah Septiana Putri, Farid Sayfullah, and Dian Ayu Detasari as friends struggle in the preparation of this Final Project who has helped a lot, and encourage them to finish my thesis.
7. IMA SC Telkom University, as the first UKM that the author participated in during his tenure lectures at Telkom University which has provided a lot of learning valuable related to the field of marketing for knowledge and soft skills of writers, and has colored the author's days during the lecture period

The author realizes that there are still many in the preparation of this final project research deficiency. Therefore, suggestions and constructive criticism are highly expected as future improvements. Hopefully this final project research can be useful for all people and can be used as reference material for all parties involved interested.
