

ABSTRACT

REDESIGN SMA NEGERI 1 KOTAGAJAH WITH PSYCHOLOGICAL ASPECT

SMA Negeri 1 Kotagajah is one of the selected school for Sekolah Rujukan located in Central Lampung. The purpose of this Sekolah Rujukan program is to enable schools that are designated as reference schools to become schools model for similar institutions. This program selected some schools that have fullfil 8 educational standards in Indonesia (standar pendidikan), include facilities and infrastructure. However, after some observations have been done, several problems were found. For the purpose of the standard, a redesign of the school was carried out in order to fullfil the standards that had been prepared.
