

## **ABSTRACT**

*This final project is entitled "Bad Impact About Masculinity: Photography Visualization Using Slow Shutter Speed And Light Painting Techniques". In this work, we focus on discussing the issue of masculinity circulating around us, especially for men. This work is in the form of photography using the slow shutter speed technique and then combined with the light painting technique. The purpose of this work is to describe the stigma that exists in society in order to pay attention that the current stigma of masculinity can have a bad impact on the people who are targeted for the stigma of masculinity.*

*Keywords: masculinity, photography, light painting, slow shutter speed.*
