

PREFACE

Praise and gratitude the author prays to Allah SWT for having given Allah's kindness so that the author can complete this thesis with the title " Crypto Market Crash News in Online Media Framing (Analysis on Cnbcindonesia.com and Finance.Detik.com Online Media for the Period of May 2021 Using Robert N Entman Model) ". The purpose of this thesis is prepared to fulfill one of the requirements in order to obtain a Bachelor's degree in Communication Science at the Communication Studies Program, Faculty of Communication & Business, Telkom University.

In the process of preparing this thesis and campus life substantially, the researcher got a lot of help, support, and direction from many parties, which made the researcher enthusiastic to finish this thesis as well. For that, the researcher would like to thank:

1. Mr Prof. Dr. H. Adiwijaya, S.Si, M.Si as the as the Chancellor of Telkom University for providing a place to study for students.
2. Mrs. Idola Perdini Putri S.Sos., M.Si as Head of the Communication Studies Program, Faculty of Communication and Business, Telkom University, Bandung. As the best head faculty communication and business, and for always helping me in learning.
3. Mrs. Itca Istia Wahyuni S.I.Kom., MBA as a sister-lecturer who always helps me whenever I in trouble and always do the best and support me.
4. Mrs. Diah Agung Esfandari, B.A., M.Si, as my supervisor who always helps me and never gets angry whenever I annoyed you. I really thank you for being strenuously very kind and considerate to me. Your maternity feels palpable. Thank you for all your help.
5. Awel, myself. As the person who trudged yet strenuously accomplished conducting the thesis, who is able to create this research even besets such dismal events that occur in the same timeline. Who gets hit by a primordial catastrophic phase called maturation in a dreary and detrimental way in the same timeline as well, Thank you for always being accountable.

6. Rukmadi and Vietry Ollivia as parents who always support my life substantially. Thank you both for being parents who are very responsible and considerate to me.
7. Narwob, Ajob, and Apob as my brothers and sister, who always be there for me even whenever I did stupid things.
8. Mama Nanza and Papa Nanza, as my second parents who always helped and supported me generally in many ways. I really grateful to have them in my life.
9. Ijal, as my brother who always entertain me as long as I remember in my life. Thank you for always being here since I was a kid. Thank you for being there whenever I need a friend to travel with.
10. Aldin, as my chosen brother who always taught me a lot of things in life especially how the world rotates. A brother who taught me to be realist and grown up in this world, for my own faring and serenity. Who gave me “valuable” lesson indirectly.
11. Nanza, as my chosen brother who always trust me precipitously and helped me whenever we are doing academical assignments especially Internship. I will not forget your staggering hospitality brother.
12. Varen, as my chosen brother who always taught me how to do things professionally and elegantly. Who always emboldened me to be more mature in my behavior.
13. Nathan, Tasya, Ebot, Aldi, Ronny as my partners who always helped me whenever I needed some pragmatic help. Who always works together as a team and whenever the assignment is too hard to accomplish.
14. Salsabila, as my talented friend in class. Thank you for the indelible lessons on how to dress aptly and being a valuable man. Thank you for the point of views that changed my naivety and ignorant behavior. And lastly, I

really wanted to thank you for the critics because after I got a taste of real-work life, all of your words were true. I genuinely wanted to apologize that I misjudged you. Despite your verbal morphology quite hurtful to me holistically, it is a fact that those critics are profoundly empirical-proven. You are a very great person to me.
