

## DAFTAR GAMBAR

|  |    |
|--|----|
| Gambar 1 Asset Lifecycle (Suakanto et al., 2021).....            | 6  |
| Gambar 2 Support Vector Machine.....                             | 11 |
| Gambar 3 S-shaped Logistic Function.....                         | 12 |
| Gambar 4 Contoh Feedforward Neural Network Architecture.....     | 13 |
| Gambar 5 Reccurent Neural Network.....                           | 14 |
| Gambar 6 Model Konseptual.....                                   | 19 |
| Gambar 7 CRISP-DM.....   | 20 |
| Gambar 8 Perancangan Model Machine Learning.....                 | 21 |
| Gambar 9 Detail Perancangan Model Machine Learning.....          | 22 |
| Gambar 10 Confusion Matrix.....                                  | 25 |
| Gambar 11 Contoh ROC Curve.....                                  | 27 |
| Gambar 12 Cutting Blade Housing Vega Shrink-wrapper.....         | 29 |
| Gambar 13 OCME Cutting System (OCME, n.d.).....                  | 30 |
| Gambar 14 Feature Importance.....                                | 33 |
| Gambar 15 Correlation Matrix Heatmap.....                        | 34 |
| Gambar 16 Vega Shrink-wrapper Film Management System.....        | 35 |
| Gambar 17 OCME Cutting System.....                               | 35 |
| Gambar 18 Distribusi Data Training dan Testing (2 Features)..... | 36 |
| Gambar 19 Distribusi Data Training dan Testing (8 Features)..... | 37 |
| Gambar 20 SVM & LR ROC curve.....                                | 48 |
| Gambar 21 FFNN & RNN ROC curve.....                              | 48 |
