Abstract - Cianjur is one of the regencies in Indonesia and was once the capital of Priayangan which has a lot of history and has diverse and interesting cultural properties in it, in terms of art, culture, creative industries to historical relics from the Dutch colonial era to pre-history. The history and culture of Cianjur are formed from the existence of human civilization in Cianjur to the process of forming Cianjur from the Mataram kingdom to the journey of every Cianjur regent, and also the added history of Cianjur is the legacy of presidents Soekarno and Soeharto in Cianjur. The purpose of designing the Interior of the Cianjur Cultural Museum is to create interior facilities as a means of education, conservation, and research on Cianjur's culture and history, in order to introduce how the process of Cianjur and Cianjur culture was formed so that it does not just disappear. The Cianjur Cultural Museum will be designed with themes and concepts in accordance with the design approach that has been determined, as a form of problem solving.

Keywords: Culture, Cultural Museum, Cianjur
