

PREFACE

Praise and gratitude the author prays to Allah SWT who has given His mercy and grace so that the author can complete the final project entitled “**DESIGN OF ENTERPRISE ARCHITECTURE IN E-GOVERNMENT DEVELOPMENT USING TOGAF ADM 9.2 FRAMEWORK IN ELECTRICITY SECTOR OF DEPARTMENT ENERGY AND MINERAL RESOURCE OF WEST JAVA PROVINCE**” as one of the requirements in completing the Information Systems Undergraduate Program, Faculty of Industrial Engineering. Therefore, on this occasion, the author would like to express his deepest gratitude to:

1. Mrs. Asti Amalia Nur Fajrillah, BMM., M. Sc. As supervisor I and Mr. Ridha Hanafi, S.T., M.T. As supervisor II who is always present to motivate, guide, and provide assistance in the form of knowledge and direction related to the design of Enterprise Architecture.
2. The Head of the Electricity Division and the Planning and Reporting Sub-Division of the ESDM Department of West Java Province always helps this research process smoothly.
3. The author's parents, Mr. Ulyadi Tandjung and Mrs. Eva Mantovani, for their blessings and moral and financial support during the course of this study and Final Project.
4. SI-42-INT colleagues, especially Dzaki Rachmanda, Dzaki Permana, Farras Naim, Kevin Yudistira, Rivaldi Jabbar, and Robby Ilhami, accompanied, supported, and helped the writer's college life from the beginning to the preparation of this Final Project.
5. Friends in arms of the West Java Business Process Map Preparation project as well as partners in the preparation of this research: Ayu Syafira Alfain, I Gede Pasek Punia Atmaja, Ken Rangga Dinar, Shafa Tathya Larasati, and Tiofenny Angelina for their laughter and cooperation.
6. Alike Syacharani, as a writer partner who always listens to the author's complaints, motivates, encourages, and lifts the morale of the author at the end of the work on this Final Project.

7. Fellow Laboratory Assistant of System Architecture and Governance (SAG) who continuously exchanges information and support in research preparation.

In preparation for this final project, the author realizes that there is still many shortcomings and mistakes. This is due to the limited knowledge and insight, and experience that the author has. For this reason, the author apologizes for any shortcomings that may be contained in this final project.
