

## PREFACE

Bismillahirrahmanirrahim,'

Assalamualaikum Warahmatullahi Wabarakatuh

Praise and gratitude the author prays to Allah SWT who has given His blessings, guidance and gifts so that the author can finish writing the Thesis with the title "Feasibility Study for Implementation Of Mobile Virtual Network Operator (Mvno) On 5G Network In DKI Jakarta". The author's purpose in compiling this thesis is to fulfill one of the requirements of graduation from Master of Electrical Engineering. Graduate School, Telkom University.

The author realizes that in writing this Thesis there are still far from being perfect in both the research method and the writing method due to existing limitations. Therefore, the authors really hope and really accept if there are criticisms and suggestions to improve this thesis.

Finally, the writer would like to thank all those who have helped and supported the writer in completing this final project. The author hopes that this Final Project can be useful for writers and readers, as well as for the world of education and related research in the future.
