

LIST OF TABLES

4.1	The video file information.	28
4.2	Average compression ratio result to M analysis.	31
4.3	PSNR result to threshold analysis.	35
4.4	Average compression ratio result to threshold analysis.	35
4.5	Average SSIM result to threshold analysis.	36
4.6	Comparison between original and compressed video size.	37
4.7	General comparison of compression ratio, PSNR, and SSIM between methods.	38
