

ACKNOWLEDGEMENT

On this occasion, the writer would like to thank the related parties who have helped during the process of this Undergraduate Thesis. This thank expression, the writer convey to:

1. Allah SWT for blessing, mercy, and compassion also forgiveness from Him so that the author can still do the best in her life.
2. For the two angels in my life who are always there and understand all the conditions of the writer, Mama and Papa. The writer says: "Thank you for everything, Pa, Ma. Tanpa Papa dan Mama, kakak tidak akan bisa menjadi seperti sekarang ini."
3. For two younger brother of the writer, Ardo Dwiki Rilyanda and Rohid Aqillah Marilly, thank you for always giving support and attention to the writer and always faithfully waiting for the write to come home.
4. For the two supervisors of the writer, Mr. Dr. Aloysius Adya Pramudita S.T., M.T. as first supervisor and Mr. Dr.-Ing. Fiky Y. Suratman, S.T., M.T. as second supervisor who always guides, provides motivation and assist the writer in completing this Thesis.
5. For the writer's family, Un-Faedah, Adam, Pulu and Bunga. The writer would like to thank the three of you who always make the writer's days filled with anger:D and happiness.
6. For Yogantana Arum Panganti, the writer say thank you for being the first friend of the writer at this university. Thank you also for the love and attention for being best friend of the writer.
7. Aditya Rifky Ramadhan, the writer's partner in crime. Thank you for working together and fighting together while working on this Thesis. Keep spirit for the future and the writer hopes to work together again on another day.
8. For member of IoT Research (Fildha, Aldi, Mas Pras, dan Azizka) who has helped the writer in supporting this Thesis.
9. For the Uni Trasma Yunita, thank you for help in supporting and motivating the author to finish the Thesis.

10. To the writer's best friend, Windari Saputri E.W., the writer apologize for not being able to be a good best friend and the writer say thank you profusely because she are still willing and comfortable to be friends with the writer.
11. For strong girl, writer's beloved sister, Marita Fauziah. Thank you for all your time, energy, thoughts and feelings during your friendship and being the author's sister and best friend. The author also wants to convey her proud to you because you have become the best version of yourself without anyone's help. "Good luck gurl, hope you are successful and happy".
