ACKNOWLEDGMENT

All praise and gratitude to the Almighty God for the grace and blessings to the author, because of the abundance of His grace and guidance, the author can complete a mini thesis with the title "THE INFLUENCE OF PROMOTION MIX TOWARDS REPURCHASE INTENTION OF KOPI KENANGAN IN BEKASI CITY".

The purpose of writing this mini thesis is to fulfill one of the requirements for graduation from the bachelor's study program International ICT Business, Faculty of Economics and Business, Telkom University. The author received a lot of guidance, criticism, suggestions, and enormous motivation from various parties. The author realizes that this mini thesis would not be finished without the help of various parties. Because of that, the author would like to thank at most to all parties involved in the preparation of this mini thesis, namely:

- Author's parents, Agus Sunardi and Agnes Indarti, financed the author's studies to completion. Also, the author's brother, Andreas Yudhasakti Cemerlang who has helped with moral support.
- 2. Author's junior high school friend, Indiray Bagas Mahendra, the real hero that wears no cape, who has been very helpful to motivate author in completing this mini thesis, wishes for great success in his life, same as this success of mini thesis.
- Author's lover, Anastasia Audrey Umriso Teiseran, for her smile, hug, moral support, motivation, and stress reliever. In the end, she is the author's biggest research project to determine if she is going to be the author's one and only sweetheart.
- 4. Author's mini thesis supervisor, Dr. Helni Mutiarsih Jumhur., SH., MH., QRMO, CLA, for her continuous support, patience, motivation and immense knowledge. Her guidance helped the author a lot in writing this mini thesis. Also, for her kindness, always willing to spend time, ideas, energy, criticism and also advise the author to complete this research. Author wishes great success and all the good things in her life as the return for shared knowledge and life tips to the author.
- 5. Author's guardian lecture, Puspita Wulansari S.P., M.M., Ph.D who guides the author in undergoing lectures at Telkom University.
- 6. Author's mini thesis examiner lecturer, Dr. Maya Ariyanti, S.E., M.M. and Indira Rachmawati, S.T., M.S.M., Ph.D., for their kindness and implied learning to handle problems well and prepared very well. Wishes for grace and prosperity for them as the return to help the author graduate from Telkom University and become a better person.

- 7. Author's grandmother and all the people in Cimahi, who has provided a place to live, good food to eat during offline lectures in Telkom University.
- 8. Author's classmates MB-43-INT-1, "Grup Kerjasama AMPE LULUS", "Mororejo Boyz", senior high school friends, and all the people that crossed the author's path so far in life, thank you for the memories and lessons, our relationship will keep in the author's heart forever.

The author realizes that this mini thesis is far from perfect, both in writing technique, language structure, or scientific perception. For this reason, the author really hopes for suggestions and constructive criticism for future improvements. The author also hopes that this mini thesis will be useful, especially for the author himself, related parties, and generally Telkom University students.
