

## FOREWARD

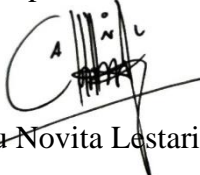

Praise the author to Allah SWT, because of His mercy and grace, so that the author has been given inner strength complete the Final Project in full of the title “**Project Manager Knowledge, Skill And Competency Measurement Using Project Manager Competency Development Framework (PMCDF®)**” as condition for completing the Final Assignment of the Preparation Course.

In completing this final project , the author is very grateful to people who have provided support, guidance, and assistance from various parties. Therefore, the author is grateful to:

1. Mrs. Nurul Alim, Mr. Susman, and my family who I care for and love and who always support me, pray for me for the preparation of my Final Project Proposal,
2. Mrs. Ika Arum Puspita, S.T., M.T. as the advisor 1 the Final Project who has directed me, guided, and gave advice and knowledge to me,
3. Sir Putu Yasa, S.T.M.T, AMP as the advisor 2 lecturer academics who always provided direction, advice and knowledge as my informant when collecting data on the project and guide the author to the preparation of the Final Project,
4. As well as Mr. Mrs Lecturer, my friends especially Dhea have become friend as well as my support system when working on my final project, even though we are in different cities the friendship is still going on and all parties involved directly or indirectly support me.

The author hopes that this final project can bring any positive benefit to the readers and author even though this final project is still far from perfect, and the authors wishes that any feedback and suggestion are given to this final project to improve in the other time.
