Bubu Resort and Spa is a 3 star resort located in the mountainous area of Jl. Raya Ciwidey - Rancabali Patenggang No.KM, RW.39, Lebakmuncang, Kec. Ciwidey, Bandung Regency, West Java Resort which is where there are several buildings such as a lobby, restaurant and separate rooms. Bubu Resort is a tourist facility that is able to offer Resort Spa facilities as an alternative place for relaxation to relieve fatigue and boredom, so that recreational facilities are needed that can refresh the body, by hearing sounds that provide psychological stimulus so Bubu Resort wants to add a Spa as one of the a service facility to consumers. This design carries the theme Enjoy With Nature Open Space which is divided into two where Enjoy means Enjoying, with a psychological aspect which brings visitors to be able to feel nature and the Relaxation Mountain Lodge concept combines a touch of nature and luxury in interior design. The Ciwidey area is famous for its mountains, so many trees are used as material, and rocks, one of which is famous, is the rock from the cave in the white crater area, and also villages where the majority are Sundanese. This makes the place a concept that creates tree-house villa types, cave rooms, and also Sundanese-style houses.

Keywords: Bubu Resort, Psychology, Relaxation.
